Vue.js

TypeScript

Tailwind CSS

Astro

Backend

Laravel

Node.js

Python

FastAPI

Express.js

Mobile

Databases

React Native

Flutter

PWA

Ionic

MySQL

PostgreSQL

MongoDB

Redis

DevOps & Cloud

Docker

AWS

CI/CD

Git

Linux

AI & Automation

OpenAI API

Webhooks

REST APIs

Celery

EDUCATION

Computer Science Engineering

Technology University

2010 - 2014

KEY ACHIEVEMENTS

- ▶ Over 50 successfully completed projects
- ▶ 100% client satisfaction rate on freelance projects
- ▶ Average 40% reduction in loading times for optimized applications
- ▶ Implemented systems that processed +1M transactions
- ▶ Technical mentor for junior development teams
